We have tried to dig artesian wells all right, but water refused to come

I snow, and many more of the Folly family also know, that in this or any other measure there are not there will be complications and abstracts to be overcome that even the Fore sight family will fail to perceive. Is that any reason why the Folly family should st in the different representations. A petition from Joseph Pollard and

the knowledge tent causes ignorance to evaporate so high that it cannor find it way back to raith. It will not, then, take so much milk from the Folly family's money teat. It does not cost so much to maintain knowledge as ignorance, and the Folly family know it; it is about the only thing they do know, and they would not know that if they did not have to replansh both. Come down with your knowledge; get the foresight men to tell us precisely what the bindight men will say. We don't dread the canal, nor the water, but we do dread the bindights; we have had an experience wite them.

I intend to go to the polls and vote either yes or no.

Yours truly, Z. Snow.

cert and ball given at the theatre last tion. cert and ball given at the theatre last. The bill of the janitor at the City night for the benefit of the Masonic Hall for March, 1880—\$15—was The bill of the janiter at the Oity Hall for March, 1880—\$15—was allowed.

The bill of the janiter at the Oity Hall for March, 1880—\$15—was allowed.

The bill for medical attendance at the commemment of the concert the parquetic circle was crowded with person, and many full ticket holders were compelled to go to the first circle in order to obtain seats. The concert was a very pissening feature, but was not as excellent as it would have been had the Theatre not been arranged for the ball. While everything was bright and elegant, Masonic ambiens being arranged around the Theatre with drapery formed from American flags, it was not calculated to assist the musicinas, or these singing. This is not stated to cover any defects, but to account for the fact the band did not sound an large as it the band did not sound an large as it the band did not counded the concert the dancing commenced and continued the remainder of the night until the programme had been exhausted. There could not have been a more desirable as each bage at the Theatre than that of last evening, and svery person.

The committee recommended that the corporation acquire a title, by purchase, to such portions of the atreet referred to, as it is not already in possession of, and that the petitioner—Mr.
